

2289 COVID-19 Classroom Materials Cleaning/Sanitizing Procedure

Policy: PCDC staff will ensure that materials are cleaned and sanitized to prevent the possible spread of germs.

Procedure:

- The following classroom surfaces must be cleaned and then disinfected each morning before the children arrive and after the children have left for the day:
 - Tables
 - Floors
 - Countertops
 - Shelving
 - Refrigerators
 - Sinks
 - Faucets
 - Toilets
 - Drinking Fountains
 - Door and Cabinet Handles

- The following classroom materials must be cleaned and disinfected before and after individual child use:
 - Contacted classroom materials such as toys, art supplies, play equipment, etc
 - Cribs and mats
 - Bedding
 - Changing Tables
 - Mouthed Toys
 - Soiled surfaces
 - Personal wear such as bibs or booties

- Staff members must wear disposable gloves when cleaning and disinfecting. Disinfecting should occur when children are not in the immediate area and any surfaces/materials should be dry by the time children return to the area.
